Tour Discription

Hong Kong, situated on the China's south coast, is known for its wide ranging skyline and natural harbor. Macau extends from western side to Hong Kong, and portrays the perfect blend of Portuguese and Chinese culture. Out-of-the-world skyscrapers, thrilling rides, bustling shopping streets, and mouth-watering cuisines are Hong Kong's major attractions. Once you have had your fill of Hong Kong, head to Macau, the "Las Vegas of the East" and while you try your luck at the various casinos scattered across this island, also find time to explore many Chinese temples, ancient forts, and other historical relics. Dynamic Shenzhen is an apt symbol of China's impressive if sometimes uneven rush to embrace wealth. From humble village to bold metropolis in under 30 years, the city's journey has been brash, dramatic and magnificent.
