Tour Description

Explore the captivating canyonlands on this unforgettable vacation! Your trip begins among the neon lights of Las Vegas before heading east to experience the Grand Canyon, where you'll overnight in the park and have time to wander along the canyon rim. While at the Grand Canyon, enjoy a spectacular sunrise or sunset. From the Grand Canyon, continue into Navajo country and Monument Valley to admire the beauty around you. Have your camera ready for some spectacular shots during your 4-wheel-drive tour of mystical Monument Valley. Then, head west for Page and Lake Powell.

After Page, a day of contrasts leads you to Bryce Canyon National Park, where years of erosion have carved colorful sandstone into thousands of spires, arches, and mazes. Finally, head to Zion National Park and enjoy the beauty and peace offered at this park—with its massive canyon walls ascending toward the blue sky. You'll have time in Zion National Park to explore, hike, bird watch, or join a park ranger to learn more about the animals, geology, plants, and human history within the park. Return to the excitement of Las Vegas and visit the shops and casinos—a perfect way to end your canyonlands vacation!
