Tour Discription

Uzbekistan!!

Uzbek is derived from Turkish as in **uz - good or true** and **bek - guardian**.Uzbekistan is rich in history. Samarkand was conquered by Alexander the Great. The most comfortable way to travel between the major tourist cities in Uzbekistan is by train. It has preserved a rich architectural heritage.The construction of monumental buildings was seen as a matter of prestige, emphasizing the power of the ruling dynasty, leading families and higher clergy. The external appearance of towns was determined to a great extent by their fortifications.

Tashkent remains a Soviet-era city that has little remaining from its ancient Central Asian past. The city has a mixture of modern new office buildings, hotels, parks, and crumbling Soviet-style apartment blocks. It is an ancient city on the Great Silk Road from China to Europe.
