Every year in the winter months, a Tent City is created near Dhordo village called Rann Utsav. There used to be a village called 'Dhordo' where local villagers were struggling to find enough work to sustain their lives and what can you expect in the area which is either drawn under water during monsoon and rest of the time it's covered under white salt!

Current version of Rann Utsav will be held from 1st November 2016 to 20th February 2017.
