If we have to make a Major Change, we will advise you and you may:

- * accept the change;
- * select one of our alternate vacation packages at the applicable price; or
- * cancel completely and obtain a full refund of the price you paid.

Sometimes the hotel you chose will not be available because of unexpected maintenance or overbooking. If this is the case, RIVIERA will provide a substitute hotel, of equal or greater standard. If RIVIERA is obliged to downgrade the accommodation, and you accept that offered change, RIVIERA will provide you with a partial refund. We reserve the right to change our published prices without notice and to pass on to you all government imposed taxes, transportation fees and surcharges, including fuel and currency fluctuations.

TRAVEL DOCUMENTS

Your travel documents will not be released until RIVIERA has received your full and final payment. Airline tickets contain conditions as well as the terms of carriage. Please read these conditions carefully as they affect your legal rights.

DOCUMENTATION

It is your responsibility to obtain the correct documentation which is required to travel to your destination and to return to Canada. RIVIERA is not responsible if you are denied carriage by an airline or refused entry into a country. Canadian Citizens must carry a valid Canadian Passport and Foreign Affairs Canada, at <http://www.travel.gc.ca>, provides information about this document. All others should contact the relevant Tourist Board or Consular Office to make sure that you know what travel documents are required prior to booking. Most countries now require that your passport be valid for up to six months after the expected date of your return to Canada in order to be valid for travel. Damaged passports may result in denial of boarding and all costs to obtain a new passport and/or a replacement vacation will be entirely yours. RIVIERA may require a copy of your passport in order to complete the booking of your vacation.

BAGGAGE ALLOWANCE

You must consult with the airline to confirm weight restrictions for your baggage. Lost or damaged baggage is the responsibility of the airline, which may have limited liability. In the event of damaged, lost or delayed baggage, please contact the airline representative before leaving the airport. Failure to do so will invalidate any potential claim you may have against the airline.

Our tour vehicles allow one standard Airline check-in in luggage and one standard cabin bag only.

FLIGHT TIMES & RECONFIRMATION

All flight times, airlines and type of aircraft, as well as itineraries, are subject to change with or without prior notice and RIVIERA reserves the right to substitute alternate airlines or aircraft types and add stops or make any other operational changes with or without prior notice. In the event that RIVIERA needs to advise you of any such changes prior to your departure from Canada we will contact you at the email address or telephone number you have provided. You must contact the airline directly within 12 hours of departure

from Canada and in your destination to reconfirm your flight time. In the event of a flight delay related to weather, traffic or a "force majeure" situation, it may not be possible for the airline to provide meals and/or accommodations. RIVIERA is not responsible for lost wages, missed vacation time or any other additional expenses incurred as a result of changes in flight times. If a cruise departure is missed due to weather or other problems RIVIERA will use its best efforts to make alternate arrangements, however no refund or other compensation will be issued for a missed cruise departure caused by a flight delay or missed flight connection. Cruise lines reserve the right to charge full cancellation fees for any guest failing to embark. You should therefore purchase travel insurance to provide you with coverage for this possibility.
