Begin your tour with hotel pickup, and then proceed along Tunnel Mountain Drive, where you can enjoy views of the town, Mount Rundle, Cascade Mountain and Bow Falls. Along the way, you'll also have a chance to view the hoodoos, a series of interesting rock pillars shaped by countless years of wind and water. From there, make an ascent to the top of Sulphur Mountain aboard the Banff Gondola, which ferries passengers to the peak of the 7,486-foot (2,281-meter) mountain. Snap a few photos, and then head back down the mountain for drop-off at your hotel.
Overnight in Banff.

Take in top regional attractions such as Bow Lake, the Crowfoot Glacier, Athabasca Falls, Lake Louise and the Weeping Wall. At the Columbia Icefield, hike to the Athabasca Glacier or take the Glacier Skywalk over Sunwapta Valley. Learn of the region's geology at the Columbia Icefield Centre or enjoy a guided walk to a scenic viewpoint. Then,

finish your journey in Jasper. After pickup from Banff, spend the day in the majesty of Canada's two most famous national parks: Banff National Park and Jasper National Park. Sightseeing stops along this beautiful highway include Lake Louise, Crowfoot Glacier, Bow Lake, the Columbia Icefield, the Weeping Wall and Athabasca Falls. During your visit to the Columbia Icefield, take part in the Ice Explorer tour to the Athabasca Glacier, and/or explore the Glacier Skywalk overlooking Sunwapta Valley. Discover all that Jasper has to offer during this 4-hour excursion covering the top natural attractions near town. During your trip you'll explore the towering limestone walls of Maligne Canyon during a walk to check out the waterfalls below, and gaze at the beautiful alpine waters at Maligne Lake and Medicine Lake. You'll also have a chance to scout for local wildlife like sheep, elk and bears that populates the area around Maligne Lake.

Start your outdoor exploration with pickup from select Jasper hotels at 8:30am, continuing by coach for your sightseeing journey. Head to Maligne Canyon, a magnificent gorge where you'll walk along the edge and cross two bridges offering dramatic views of the waterfalls down below. Continue to Medicine Lake, a relatively shallow body of waterfed by nearby glaciers. You'll enjoy fantastic vistas of the nearby Colin and Queen Elizabeth mountain ranges in your field of view. Then proceed to stunning Maligne Lake, where you'll take in more incredible views of the three nearby glaciers and the much-photographed Spirit Island. Make sure to watch for wildlife during your stop at the lake, as the surrounding valley is home to a variety of moose, big horn sheep, deer and bears.
