## Tour Description

### **BANDIPUR**

Go wild and see just how therapeutic it can be. Trade those concrete jungles for a fresh breath of green. Put a pause on the rat race and ride an elephant instead. Take a break from bearding the lion in his corner office and go looking for tigers. The Bandipur Wildlife Sanctuary puts life back into perspective. Or rather it puts the perspective back into life.

### **WAYANAD**

Wayanad is a rural district in Kerala state, southwest India. In the east, the Wayanad Wildlife Sanctuary is a lush, forested region with areas of high altitude, home to animals including Asiatic elephants, tigers, leopards and egrets. In the Ambukuthi Hills to the south, Edakkal Caves contain ancient petroglyphs, some dating back to the Neolithic age.
